

★ FINEST FLOORING EVER MADE ★

# ROLLED GOODS™

*from the makers of* VINTAGE VINYL®

**WALL TO WALL FLOORING  
RATED FOR COMMERCIAL DURABILITY  
ORDER BY THE ROLL OR CUT LENGTHS**

Each pattern roll is 6'6" wide. The entire roll length is 72' long.  
Buyers can order an entire roll or by custom cut lengths.

Pattern repeat lengths will vary by design.  
All pattern options can be installed with a seamless look for a beautiful finish.

## INSTALLATION

### ADHESIVE

Roberts 7350 Universal Flooring Adhesive

<https://www.homedepot.com/p/ROBERTS-7350-1-Gal-Universal-Flooring-Adhesive-7350-1/304177900>

### TROWEL for applying adhesive

Roberts 3/32 in. x 3/32 in. Flat V-Notch Flooring Trowel

<https://www.homedepot.com/p/ROBERTS-3-32-in-x-3-32-in-Flat-V-Notch-Flooring-Trowel-10-820/302756430>

### ROLLER

Roberts Extendible Floor Roller for Sheet Vinyl Flooring Installation

<https://www.homedepot.com/p/Roberts-Extendible-Floor-Roller-for-Sheet-Vinyl-Flooring-Installation-10-955/100012074>

After placing the flooring into the adhesive the flooring should be rolled to provide 100% contact with the adhesive.

### SEAM SEALANT

Rolled Goods seam sealant will yield approximately 180' per tube which equates to approximately 3 rolls of flooring per tube.

Instructions can be provided per project for best results.
